

FISCAL NOTE

SB 118 – HB 333

February 16, 2007

SUMMARY OF BILL: Requires the Department of Education to develop alternative methods by which adult students attending adult high schools may meet the requirement that such students have a minimum number of contact hours to receive credit for a course.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

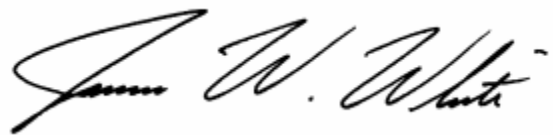

Increase Local Govt. Expenditures – Not Significant

Assumptions:

- Any cost to the department for the development of such alternative methods for use by the LEAs is estimated to be not significant.
- Any cost to the LEAs would be determined by the alternative method of course completion used and the number of adult students enrolled at the adult high school; however, such cost is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
